

Nash Parish Council
Accounts for Financial Year Ending 31 March 2021 - Supporting Statement

At 31 March 2020 the following assets were held:

Community Assets

Office equipment	£649
Street furniture	£29,067
Recreation ground facilities	£25,888
Land	£2,250
Total Community Assets	£57,854

Nash Parish Council assets are valued at their purchase price and not subsequently adjusted for inflation in accordance with the sector's established protocol. Where the purchase price is not known, either because an item has been donated or because it has been in the Council's possession for so long that the relevant records no longer exist, an estimate has been made, sometimes by using the cost of a repair.
